Plaintiff Waymo LLC's administrative motion to redact additional portions of the order on motions for partial summary judgment and motion to strike (Dkt. No. 2158) is **GRANTED IN PART** and **DENIED IN PART**. While some of the requested redactions are reasonably necessary to protect trade secrets, others seek to conceal general principles or public information, including information disclosed in Waymo's own patent (*see* Dkt. No. 23-1). For the latter category, Waymo has not shown compelling reasons that would trump the public's right to access. For now, the order will be filed on the public docket with all requested redactions applied. All redactions other than the ones highlighted in Exhibit A will be lifted, however, unless Waymo obtains emergency relief from the Federal Circuit by **NOVEMBER 10 AT NOON**.

IT IS SO ORDERED.

Dated: November 2, 2017.

UNITED STATES DISTRICT JUDGE
